ORDER:

In the letter first read above, the Engineer-in-Chief(R&B)S.R&CRN, Hyderabad, has stated that there are 445 Mandals in Telangana State out of which 149 Mandal Headquarters are not connected to District Headquarters with Double Lane roads. It is imperative to widen these roads to Double Lane, in view of increase in traffic and speed of the vehicles. It would also be useful to the public, especially farmers to reach the District headquarters within short time and transport their agricultural produce to the agricultural market yards which are mostly available in the District head quarters. The industrial development will be decentralized in the districts if transportation facilities are improved. Double lane road connectivity enhances this transportation facility, thereby creating opportunity for all-round development of the state. Hence he has proposed for improving at least one road connecting Mandal Headquarters to District Headquarters from single lane to Double lane in 149 Mandals with a cost of Rs.2585.00 crores.

2. In order to provide the above facilities and the proposal of the Engineer-in-Chief (R&B), SR & CRN, Hyderabad, Government after careful examination of the matter, hereby accord administrative sanction for 143 works of 1996 kms in 149 mandals costing an amount of Rs.2585.00 crores (Rupees Two Thousand Five Hundred and Eighty Five Crores) as per annexure I and II annexed to this order, for Widening of Single lane roads to Double lane roads connecting Mandal Head Quarters to District Head Quarters.

3. The amount sanctioned in Para (2) above shall be debited to the Head of Account "5054 Capital Outlay on Roads & Bridges -04 District and Other Roads - M.H 800 Other Expenditure -G.H 11 Normal State Plan - S.H 42 -Providing Double lane roads from Mandal to District Head Quarters-530-Major Works-531 - Other Expenditure"

4. The Engineer-in-Chief(R&B)S.R&CRN,Hyderabad, is directed to incur the expenditure on the above sanctioned works in a phased manner over the three consecutive financial years 2014-15,2015-16 & 2016-17, within the budget provision of respective financial year subject to the following conditions:-

- i. Digital photographs / video of entire road surface shall be taken at the time of preparation of estimates and after completion of work (i.e. before and after grounding)
- ii. The work flow of the roads programme such as sanction, progress and completion of works shall be entered on the website.
- iii. Ensure the present sanction of works shall not overlap of any sanctioned works in any other Schemes.

(P.T.O)

5. The Engineer-in-Chief(R&B)S.R, CRN&RSW, Hyderabad shall take necessary action in the matter accordingly, and he shall report the physical and financial targets and achievements every month regularly and he is requested to submit the necessary budget provision proposals in accordance with the Scheduled work programme.

6. This order issues with the concurrence of Finance (EBS.X) Dept., vide their U.O.No.6869/165/A1/EBS-X/2014, Dt.26/11/2014.
